FRIANT

DASH by Fríant

A flexible collection that delivers modern style to any space

Explore a new world of office furnishings with Fríant's most versatile surface to storage line.

FRÍANT

Our challenge was to design and build a one-stop line that fit in stylish offices while being functional and flexible to fit into many uses. The answer came with Dash, a modern line with a contemporary look that features mix and match components. Dash brings together over 30 years of Fríant manufacturing history into a total solution.

Dash is perfect for:

- Private Offices**
- Open Workspaces**
- Conference Rooms**
- Collaboration Spaces**
- Storage Solutions**

Dash's unlimited configurations integrate with many of Fríant's existing offerings, including the Interra panel system. No matter your style, Dash works with you.

Fríant's Dash collection boasts 2,000 SKUs with dozens of finish, component, and power options making it easy to personalize the look you want.

- Easily blends into existing setups
- Standard sizes —6" increments
- 5 feet on storage allow for access to power in the base of a panel
- Single, 4 circuit or non-powered available
- Easy to choose storage, wardrobes, peds, cushions
- Keep spaces organized with components and storage options.

Dash integrated with our Novo Panel System — A contemporary office space with Dash desk, single monitor arm with USB charge ports, and Friant's Ignite Task Chair. Setup is available with four-week shipping.

Private Offices

- Multiple finish, component, and hardware options
- Support with metal legs or storage
- Power options - Single circuit, four circuit and non-powered
- Discreet power and wire management options
- Blend with Fríant small conference tables, soft seating, or My-Hite height adjustable desks
- Overhead storage - Wall mounted or with hutch supports

Conference & Meeting Rooms

- Multiple finish, component, and hardware options
- Freestanding tables add flexibility
- 36" and 42" depths allow for center power supply
- Discreet power and wire management options
- Stylish and functional storage credenzas and wardrobes
- Use storage and soft seating to build collaborative areas

The Dash Office

Personalized

Add design details and make any workspace unique with Dash's range of finishes, components, and power options.

Compatible

Dash's flexibility makes it an ideal option when you're looking to blend into other Fríant systems or office furniture.

Stylish

For companies looking to create a contemporary workspace, Dash's clean lines and classic looks make it a top choice.

Dash in Action — Create a stylish and functional workspace with both Novo and Dash. Available with two-week shipping.

DASH by Friant works great with all of our other systems.

Open Workspaces

- Multiple finish, component, and hardware options
- Pulls and handles align with other Friant lines
- Cluster planning using four circuit power options
- Blend with Friant privacy screens
- Create collaborative areas with storage and soft seating products
- Add wardrobes to workstations

Collaborative Spaces

- Multiple finish, component, and hardware options
- Freestanding tables add flexibility
- 36" and 42" depths allow for center power supply
- Stylish and functional storage credenzas and wardrobes

Dash has all your storage needs covered!

With thousands of SKU's to choose from, storage for whatever you need is easy with DASH. You choose from a wide range of finish and laminate options to compliment existing workspace or to create a new look and feel. As always Dash is about flexibility, compatibility and style, so have fun and complete your space storage that performs.
