FRÍANT

A Great Project Starts with Quality Materials

At Fríant, we believe in furniture that's designed to perform and solutions that provide our end-users the elements needed to create an efficient and modern workspace.

We offer an extensive range of quality fabrics and materials, which we have sourced to meet both the environmental and valued standards Fríant is known for.

Want to customize your workspace? Work with customer service for a more personal look by customizing your system with COM fabrics (Customers Own Materials).

To explore more, visit friant.com.

Fríant, **All Workstyles Welcome.**

FABRICS

 Available for 10-Day Quickship

Fabric is scheduled for discontinuation when inventory is exhausted. Contact Customer Service for current stock levels. After discontinuation fabric will be available with extended lead time.

Customer Service

We stand by our product with an industry-leading customer service team always there to assist with design, development, and delivery. Rest assured, we have you covered.

Quickship

Get your office systems in place fast with our exclusive 10-day Quickship program. It's available for most standard Friant lines, work surfaces and panel fabrics. We keep our distribution centers stocked with the most popular systems and options, so you don't have to wait.

GSA

We are proud to be a supplier and strategic partner with many federal, state and local governments. We understand state and local government regulations and are committed to providing you with dedicated resources, unique solutions and our three decades of experience to help you work smarter.

Elite Dealer Network

Friant products are supplied by a nationwide network of leading workspace furniture dealers, installers and maintenance teams. Your project is protected with trained specialists for a lifetime of use.

Design Services

Our in-house product experts are available to assist with providing typicals based on your specifications, work with you to make changes to existing concepts, and can provide you with 3D renderings. If you have your own design team, we offer dealer specification checks and training.

Manufacturing

San Leandro, CA | Suffolk, VA

We own and operate manufacturing facilities to provide cost savings and quality for all of our products.

Showrooms

San Leandro, CA | Suffolk, VA

Costa Mesa, CA | Atlanta, GA | Shanghai
